2. Why do we need leaders ?

Ans:- There are problems, challenges and situations in our lives. We need someone who can lead us in such situations. Without leaders we will be like a herd of sheep who move in different directions everywhere. Life can not be protected in his absence.

3. What do you need to do if you want to be leader ?

Ans:- If we want to be a leader we need to develop few skills and nurture a few qualities. We need to possess qualities like a brave heart, just person, creative and should not be selfish. We must be the one who accepts mistakes.

4. Why should a leader be a team player ?

Ans:- It is very difficult for a person to undertake things alone. Team works always lead the success. However we need someone who can motivate the team members at any situation for the success. If the leader is simply giving out instructions without leading the way there will be no one willing enough to act. Therefore setting an example and being a team player is very critical for successful leadership.

5. What is the difference between motivation and inspiration ?

Ans :- Mitivation is something from the outside that compels someone to take action while inspiration is something that you feel on the insight. Inspiration is a driving force while motivation is a pulling force.
