My favorite teacher

We all are well aware of the value of a teacher. Every teacher is important and equally loved and respected by the students. Though, we give equal significance to all our teachers, sometimes there is a special teacher who has a good amount of influence on us because of some of his or her always composed, cooperation and loving nature or an excellent academic knowledge. That teacher becomes our favourite teacher.

I also have a favorite teacher, who has from time to time impressed me by his/her academic excellence and a rare ability to treat eachone of his/her students equally. My favorite teacher is..... He/She is our class teacher. She is a strict teacher however very funny and caring in nature. She is very disciplined and punctual she does her all the works related to the class at right time, without getting late. I like her very much as she tries very easy ways to teach us good things. We enjoy her class. She teaches us.....subject. She makes us laugh by telling lots of jokes in between when she teaches. She also guide us very well during any school or inter school competition of dance, sports , academic, etc. She teaches us to share things in class among our classmates such as lunch or other needed things. She is a good teacher with good skills of teaching friendly nature, good sense of humor, patients and easygoing. She never gave us lots of assignments at home. She is very enthusiastic and always motivated us for doing our best in the study.

A place you visited during your summer or winter holidays.

I like winter vacation a lot , this is the time of year when the climate is very pleasant. This year winter vacation was very special to me. My parents planned two days trip in Konkan . My father always talk about Chhatrapati Shivaji Maharaj, so we planned a trip to visit forts in Konkan area. We left our home and visited Pratapgarh Fort. Before we also enjoy Mahabaleshwar tourist point. We climbed around 500 steps at Pratapgarh fort and we enjoyed it. We saw a gigantic statue of Shivaji Maharaj, our guide told us the history of the palace. Next day early morning we headed to Rajgarh fort. We got to know a lot of things which are not in our history book. We took a lot of pictures on our trip.

I learned a lot from this trip and also have a good time with my family.
