clear English tall open long clean kitchen magnificent

I stood amazed before my friend Sunil's farmhouse in Chattarpur. What a magnificent building! From the front the house reminded me of an English stately house that you see in London. All around the house were tall trees, a blooming garden in the front. A long path went round the house with shrubs and plants of every kind at intervals. At the back of the house was an open swimming pool with clean, clear blue water. A gym was also there for Sunil to exercise. There was also a well kept kitchen garden, full of seasonal vegetables. I sat on the balcony admiring the fascinating display of flowers in Sunil's garden.
