

Q. Write a speech on any two of these topics.

1. Sports should be made compulsory
2. Good Manners----- are they important?
3. Why should we conserve nature?
4. Eating fast food is detrimental to health

Ans: 1. Sports should be made compulsory :

Respected Principal, teachers, fellow students and all others present here. Wish you all a very good morning.

Today I will speak to you on why sports should be made compulsory and it's importance.

In general it is believed that being physically fit is main concern in ones life.

Games are essential and necessity for children. Physically exercise keeps the body fit and trim. If there are no games for children in school, they tend to get weary and bored of school routine and studies become a drag. As children grow they need balanced development of both the body and mind especially up to the teens when they spend major part of the day in school. At least one hour of sports of any kind is essential to recharge the mind of the children.

So, Sports should be made compulsory.

Thank you.
