

Q 1. Unseen passage (This passage will not come in exam. It is only for practice sake.)

Birds are some of the most amazing animals on the earth. Birds live in nests. They have wings, feathers, beaks and claws. Birds eat fruits, grains, worms, insects etc. The smallest bird is hummingbird and the biggest bird is the ostrich. The birds live in flocks and they are social too. Birds like peacocks have beautiful and colourful feathers. The crow and cuckoo are black in colour. While the swans and doves are white in colour. The duck, the stork and the swan are water birds. The cuckoo and the nightingale are singing birds. Some birds are reared by man for entertainment like parrot, dove etc.
