Mumbai

Date: 10/11/2020

Dear Adhira,

How are you? Hope you are doing great. I am fine as well.

Last Sunday I paid a visit to an orphanage - a home to about 40 children. They were playing, crying laughing, fighting with each other.

These children are talented. Some of them are good at singing and some are good at dancing. When I saw them, I felt happy and sad at the same time. I felt very sad for them as they don't have parents to take care of them and they don't have anybody to fulfil their wishes.

It was an extraordinary experience for me. I feel that we are very fortunate to have our parents with us, unlike these children. We should help them in any way we can.

Write me back about your thoughts on this.
