

Let's Recall

A) Cross (X) the shapes that do not have symmetry. Draw the lines of symmetry if they have.

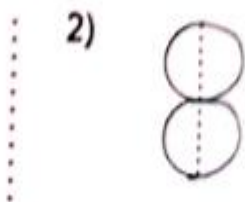

B) Complete the pattern.

What Did You Learn?

Exercise 17.1

Draw the reflection along the dotted line with the help of a mirror.

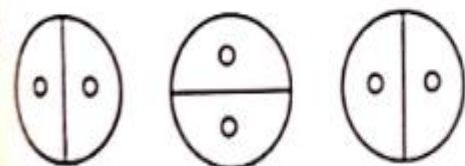

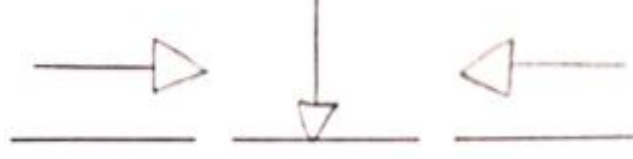

Patterns and Turns

Quarter Turn

What Did You Learn?

Exercise 17.2

Complete the patterns given below.

1) Draw the next figure and write the turn given for each pattern is formed. (The first one has been done for you.)

		$\frac{1}{2}$ turn
		$\frac{1}{4}$ turn <i>Quarter</i>
		$\frac{3}{4}$ turn <i>Three fourths turn</i>
		$\frac{1}{4}$ turn <i>Quarter turn</i>
