- a. Horse [✓] b. Cat [] c. Cow []

11 A **compass** is used to find out direction.

- a. clock [] b. compass [✓] c. thermometer []

12. We have lunch in the **afternoon**.

- a. afternoon [✓] b. night [] c. evening []

Q2. Unscramble the following and form proper words.

1. MITUNE MINUTE 7. NOAEC OCEAN
2. MGINRON MORNING 8. EGINENV EVENING
3. NPILA PLAIN 9. LHLI HILL
4. NTHOR NORTH 10. NTHIG NIGHT
5. LAVLYE VALLEY 11. DSI NLA ISLAND
6. EETS DR DESERT 12. RRIEV RIVER

Q3. A) Find out nine things from the grid that we get directly or

indirectly from animals (use clue box)

(Across - fur, cheese, wool, leather Down - curd, honey, meat, silk, egg)

F	U	R	M	A	Z	Q
N	C	H	E	E	S	E
X	U	O	A	G	I	G
F	R	N	T	H	L	G
U	D	E	P	J	K	S
E	V	Y	W	O	O	L
L	E	A	T	H	E	R

1. Fur
2. cheese
3. wool
4. leather
5. curd
6. Honey
7. meat
8. silk
9. Egg

B) Find out the names of landforms and water bodies in the given maize.

(Across - hill, sea, plateau, pond, desert, mountain Down - forest, island, lake, ocean)

F	P	Z	N	D	O	R	Q	X
O	Y	H	I	L	L	O	A	P
R	D	J	S	E	A	C	E	L
E	K	F	L	U	K	E	B	G
S	P	L	A	T	E	A	U	T
T	C	S	N	C	G	N	Z	O
P	O	N	D	E	S	E	R	T
M	O	U	N	T	A	I	N	Y

1. forest
2. Plateau
3. hill
4. pond
5. Mountain
6. Ocean
7. Lake
8. Island
9. sea
10. Desert

Q4 a) Match the columns:

Column A	Column B
1. Ant	a. Lamb 3
2. Elephant	b. Domestic 4
3. Sheep	c. Insect 1
4. Horse	d. Amphibian 5
5. Frog	e. Herbivorous 2

b) Match the columns:

Column A	Column B
1. Hen	a. milk 2
2. Cow	b. meat 4
3. Honey bee	c. egg 1
4. Sheep	d. silk 5
5. Silkworm	e. honey 3

a) Match the columns:

Column A	Column B
1. Forest	a. formed by melting of snow 3
2. Island	b. flat tableland 4
3. River	c. covered with bushes and trees 1
4. Plateau	d. fresh water 5
5. Rain water	e. land surrounded by water 2

b) Match the columns:

Column A	Column B
1. Flowers Blooms	a. winter 5
2. Trees shed leaves	b. monsoon 4
3. Wear light clothes	c. spring 1
4. Use umbrella	d. summer 3
5. Fog	e. autumn 2

Q5 Fill in the blanks

1. We wear **light coloured** and **cotton** clothes in summer.
2. Silk cloth is woven from silk **thread**.

3. There are 24 hours in one week. **False**

4. Hot winds blow in winter. **False**

5. We have breakfast in the morning. True

6. Umbrellas help us to get wet. False

7. The baby of a cat is kitten. True

8. We get silk from the cocoon of silkworm. True

9. The tip of a mountain is called peak. True

10. Forests are surrounded by water on all sides False

Q8. What am I (Guess)

1. You like to make snowmen Winter

2. I flow in valleys River

3. I am a model of the earth Globe

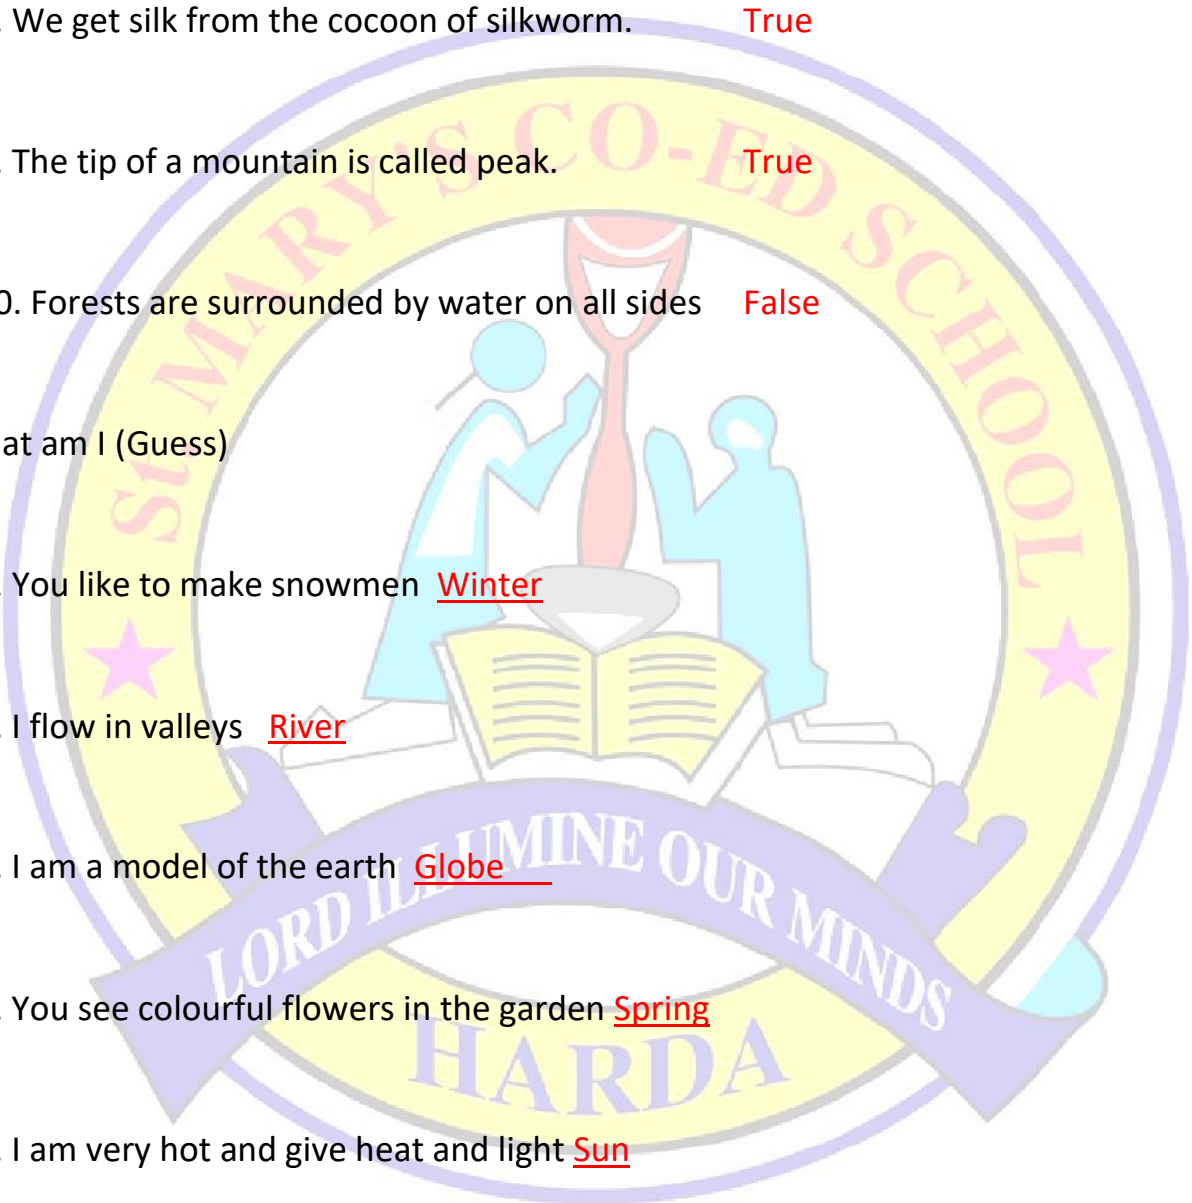

4. You see colourful flowers in the garden Spring

5. I am very hot and give heat and light Sun

6. I am the level land on top of a mountain Plateau

7. You see lots of dry leaves on the ground Autumn

8. I surround the earth Atmosphere

9. I am the low land between two mountains Valley

10. I cover very high area with steep slope Hills and Mountains

11. You eat mangoes and watermelons Summer

12. You carry umbrella to the school Rainy

Q9. Puzzle Quiz:

[goat, elephant, snake, earthworm , goat, rabbit, horse ,bull, donkey, yak]

(a) I plough the field Ox

(b) I carry load Donkey

(c) I bring logs of wood from the forest Elephant

(d) The bridegroom rides on me Horse

(e) I give you meat Goat

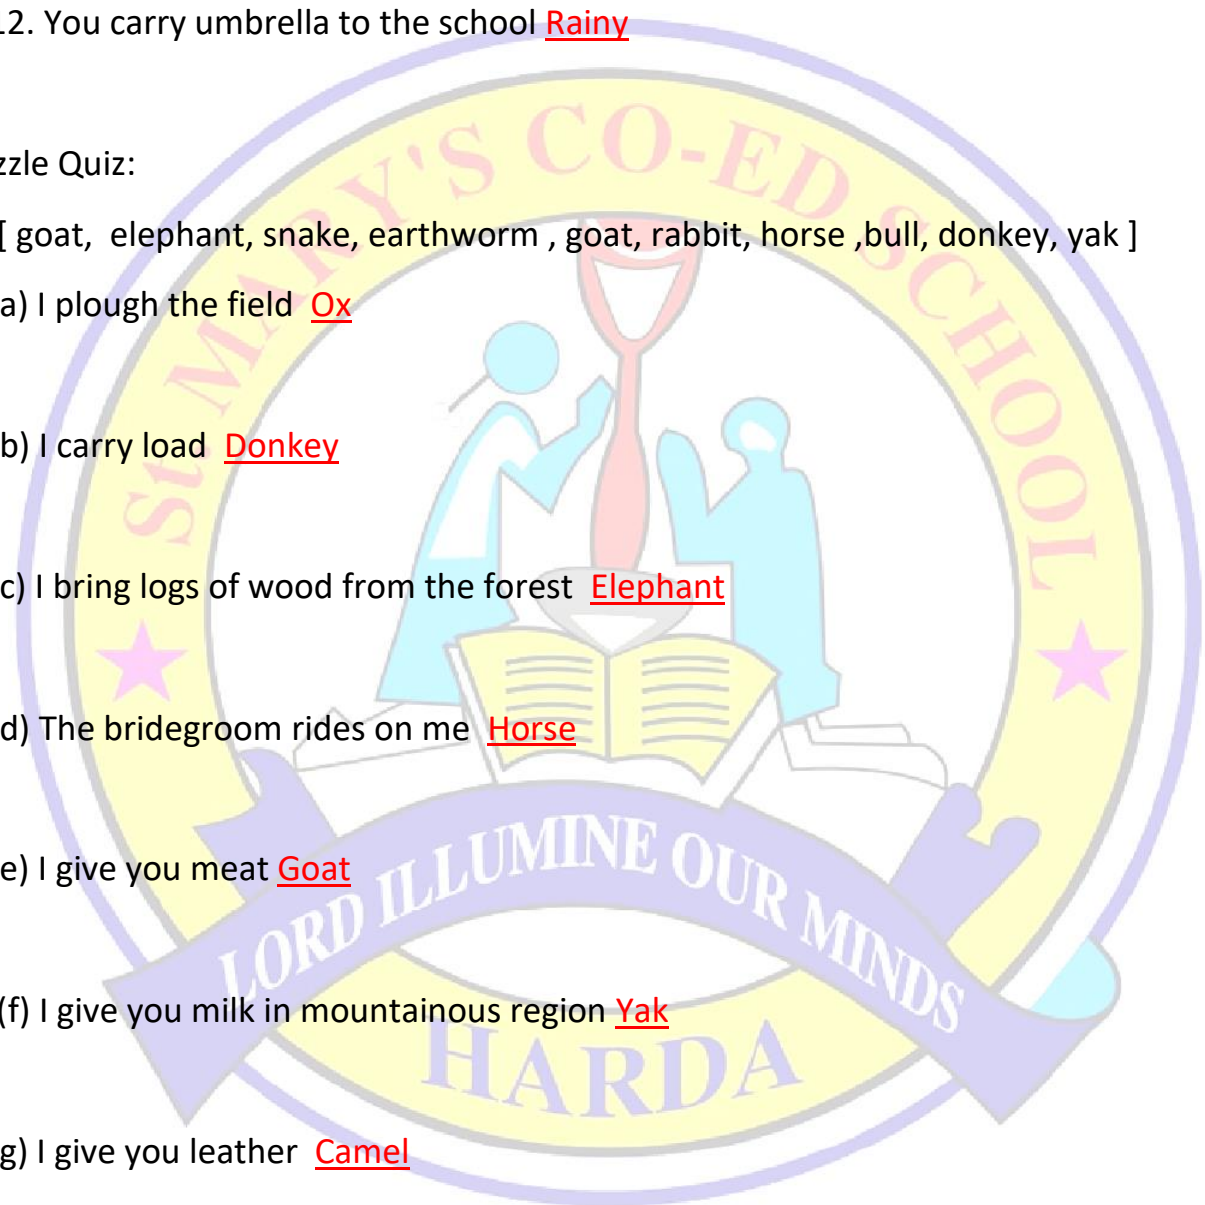

(f) I give you milk in mountainous region Yak

(g) I give you leather Camel

(h) I make the soil fertile for crops Earthworm

(i) Your fur coat is made of my hair Rabbit

(j) I pull a cart to the market Bull

Q10. Give two examples each of animals that

1. give milk Cow , Goat

2. give eggs Hen , Duck

3. give meat Hen , Goat

4. carry load Camel , Donkey

5. plough fields Bullock , Oxen

6. give fiber Sheep , Yak

Q11 Puzzle -

Name 2 fruits and 2 vegetables available during.

(a) Summer

Fruits

Mango

Watermelon

Vegetables

Tomato

Cucumber

(b) Winter

Fruits

Orange

Papaya

Vegetables

Spinach

Carrot

Q12 (a) Draw any one fruit of summer season or water animal .

(b) Label the parts of a plant
